

this section. The provisions of this section shall not apply to domestic hand baggage crossing Canada or Mexico which, upon reentry into the United States, shall be examined in the same manner as baggage of foreign origin.

(b) *Special in-transit tag manifest.* The carrier shall complete and attach to each piece of baggage by wire or cord under Customs supervision a special in-transit tag manifest furnished by the carrier as follows:

(1) *Baggage transiting Mexico.* For baggage of domestic origin to be transported through Mexico between ports of the United States, the special in-transit tag manifest attached to each piece of baggage shall be on white cardboard not less than 2½ × 4½ inches in size printed in substantially the following form:

UNITED STATES CUSTOMS

IN-TRANSIT BAGGAGE MANIFEST

Carrier's Baggage-man: Destroy this tag if owner has access to baggage before its return to United States.

Check No. ____.

This baggage is in transit from _____ (Port of exit) through foreign territory to _____ (Port of reentry) in the United States.

This baggage was laden for transportation as above stated.

Date _____

(U.S. Customs Officer)

(2) *Baggage transiting Canada.* For baggage of domestic origin to be transported through Canada between ports in the United States, the joint United States-Canada in-transit baggage card, Customs Form 7512-B (Canada 8½) or Customs Form 7533-C (Canada A4-½), shall be used as the special in-transit tag manifest attached to each piece of baggage.

(c) *Removal of special in-transit tag manifest.* The special in-transit tag manifest shall be removed only by the Customs officers at the final port of reentry into the United States. If the officer finds the special in-transit tag manifest missing or not intact, or for any other reason believes that the baggage has been tampered with while outside the United States, he shall detain it for examination. Otherwise, baggage transported under the procedure in this

section may be passed without examination.

(d) *Procedure in lieu of special in-transit tag manifest.* In lieu of attaching the special in-transit tag manifest to each piece of baggage as set forth in paragraph (b) of this section, baggage of domestic origin may be forwarded in a car or compartment sealed with in-transit seals and manifested as in the case of other merchandise in transit through Canada or Mexico, as provided in subpart C of this part.

Subpart J—Advance Information for Cargo Arriving by Rail or Truck

SOURCE: CBP Dec. 03–32, 68 FR 68173, Dec. 5, 2003, unless otherwise noted.

§ 123.91 Electronic information for rail cargo required in advance of arrival.

(a) *General requirement.* Pursuant to section 343(a), Trade Act of 2002, as amended (19 U.S.C. 2071 note), for any train requiring a train sheet under § 123.6, that will have commercial cargo aboard, Customs and Border Protection (CBP) must electronically receive from the rail carrier certain information concerning the incoming cargo, as enumerated in paragraph (d) of this section, no later than 2 hours prior to the cargo reaching the first port of arrival in the United States. Specifically, to effect the advance electronic transmission of the required rail cargo information to CBP, the rail carrier must use a CBP-approved electronic data interchange system.

(1) *Through cargo in transit to a foreign country.* Cargo arriving by train for transportation in transit across the United States from one foreign country to another; and cargo arriving by train for transportation through the United States from point to point in the same foreign country are subject to the advance electronic information filing requirement for incoming cargo under paragraph (a) of this section.

(2) *Cargo under bond.* Cargo that is to be unladed from the arriving train and entered, in bond, for exportation, or for transportation and exportation, in another vehicle or conveyance is also subject to the advance electronic informa-

tion filing requirement under paragraph (a) of this section.

(b) *Exception; cargo in transit from point to point in the United States.* Domestic cargo transported by train to one port from another in the United States by way of Canada or Mexico is not subject to the advance electronic information filing requirement for incoming cargo under paragraph (a) of this section.

(c) *Incoming rail carrier—*(1) *Receipt of data; acceptance of cargo.* As a prerequisite to accepting the cargo, the carrier must receive, from the foreign shipper and owner of the cargo or from a freight forwarder, as applicable, any necessary cargo shipment information, as listed in paragraph (d) of this section, for electronic transmission to CBP.

(2) *Accuracy of information received by rail carrier.* Where the rail carrier electronically presenting the cargo information required in paragraph (d) of this section receives any of this information from another party, CBP will take into consideration how, in accordance with ordinary commercial practices, the rail carrier acquired such information, and whether and how the carrier is able to verify this information. Where the rail carrier is not reasonably able to verify such information, CBP will permit the carrier to electronically present the information on the basis of what the carrier reasonably believes to be true.

(d) *Cargo information required.* The rail carrier must electronically transmit to CBP the following information for all required incoming cargo that will arrive in the United States by train:

(1) The rail carrier identification SCAC code (the unique Standard Carrier Alpha Code assigned for each carrier by the National Motor Freight Traffic Association; see § 4.7a(c)(2)(iii) of this chapter);

(2) The carrier-assigned conveyance name, equipment number and trip number;

(3) The scheduled date and time of arrival of the train at the first port of entry in the United States;
